## **DETAILED ACTION**

### **Statement of Reasons for Allowance**

Claims 29-31, 40, 41, and 46-49 are allowed.

The following is an examiner's statement of reasons for allowance: the best prior art of record, Rubin, taken alone or in combination of other references, does not teach or fairly suggest a second phase detector, as set forth in the claims. It is noted that "a second gate" as indicated in Allowable Subject Matter in the previous Office Action has been amended to "a second phase detector" to a generally accepted terminology as indicated in the previous Office Action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
